Recent Outreach Activities

- City worked with R3 Consulting to conduct education and outreach, particularly with the business community as most of SB 1383's requirements will affect commercial customers the most.
- Outreach included:
 - Development of an Organics Advisory Group with the Chamber of Commerce
 - 4 Presentations: 3 meetings in coordination with the Chamber of Commerce and 1 Rotary meeting.
 - ~20 people joined these meeting
 - All positive feedback, “meeting was really informative”
 - 1 survey (11 responses)
 - Press Release to promote meetings and survey
